Symphony

CHARDONNAY BLANC

CALIFORNIA • 2018

River Road Family Vineyards and Winery is proud to introduce Symphony. A “symphony” may be characterized by a harmonious combination of elements, whereby this concert of varietals’ namesake was born. Upon composing this delightful arrangement of 50% chardonnay, and 50% sauvignon blanc, these two unoaked wines sang a melodic song that our winemaker immediately referred to as “a symphony in a bottle”.

TASTING NOTES:

Aromas of key lime, fig, pineapple are continued into the palate, where flavors of orange sorbet and other mixed citrus are simply DELICIOUS in a wine that is well-balanced and beautiful to its long finish.

FOOD PAIRINGS:

This wine is an ideal partner with coconut fried shrimp, tequila lime chicken, or a Cobb salad. Spicy Thai food will especially benefit from the cooling mouthfeel and lemongrass flavors of this wine.
