

2016 Ron Rubin Russian River Valley Pinot Noir

Tom Mardquart and Patrick Darr, at Capital Gazette: *Wine, Etc.: Search for these reasonably priced pinot noirs for excellent value: 2016 The Ron Rubin Russian River Valley Pinot Noir...* This region benefits from morning fog and cool coastal breezes which cools the grapes and allows for longer hang time on the vine. That retains the acidity and allows grapes to fully mature. Red berry notes with a hint of vanilla.
