Symphony

CABERNET NOIR

CALIFORNIA • 2017

River Road Family Vineyards and Winery is proud to introduce Symphony. A “symphony” may be characterized by a harmonious combination of elements, whereby this concert of varietals’ namesake was born. Upon composing this delightful arrangement of 50% Cabernet Sauvignon, and 50% Pinot Noir, these two wines sang a melodic song that our winemaker immediately referred to as “a symphony in a bottle”.

TASTING NOTES:

Beautiful aromas that suggest blueberry and licorice from the Cabernet Sauvignon, while also revealing high toned red fruits such as strawberry and red cherry from the Pinot Noir. Flavors are simply DELICIOUS, with bright acid and tannins that are both soft and mouth filling.

FOOD PAIRINGS:

Good match with a wide range of foods, from pizza and a vinaigrette over green salad, to hamburgers or smoked beef brisket with Memphis-style BBQ sauce.
